# Face fixed door hinge

2- and 3-leaf hinge

---

**Sobinco**  
OPENS YOUR LIFE

## DESCRIPTION

**Universal** face fixed door hinge with an **attractive design** for aluminium doors.

## CHARACTERISTICS

- Available in **2- and 3-leaf versions**.
- Can be used for **left and right hand doors**.
- **Simple assembly:** direct screwable (screws in stainless steel or treated steel) or fixating with clamping plates.
- **Finishing:** anodised, white and powder coated in **more than 450 RAL colours** and in different structured coatings
- **Adjustment:** 3-dimensional without unscrewing the fixing screws. With an unique lateral adjustment there is no offset visible between the frame part and vent part of the door hinge.
- **Maintenance-free** with high quality synthetic bushes.
- Support pins prevent the frame part and the vent part dropping.
- **Higher security against burglary** by a security pin when the hinges are mounted externally.

## ADJUSTMENTS

- The hinges have a 3-dimensional continuous adjustment with only one hexagonal spanner.
  - Lateral adjustment: -3 mm/+3 mm.
  - Height adjustment: -1 mm/+4 mm.
  - Gasket pressure adjustment: -1.25 mm/+1.25 mm.

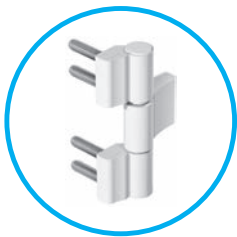

## APPLICATION RANGE

### 2-LEAF FACE FIXED HINGE

- Maximal door weights up to 160 kg with 2 hinges.
- Material: manufactured from non-corroding materials.

### 3-LEAF FACE FIXED HINGE

- Maximal door weights up to 160 kg with 2 hinges.
- Material: manufactured from non-corroding materials.

## VOORDELEN
